In addition to the Application, if the student is applying to grades 6-8, he or she is required to submit the following:

Essay Question

Please answer the following question, without assistance, on a separate piece of paper in your own handwriting. An additional typed version may be submitted as well.

Montessori School of Denver's mission is to, in part, empower students "to do good in the world." How are you making a difference now and how do you hope to do-good in the world in the future?

Student Portfolio

Please bring with you to your student visit a portfolio that includes examples of your work in the areas listed below:

- a recent writing work;
- a math work;
- a history or geography project or photo of a project;
- a sample from a science journal or photo of a project;
- a book report; and
- an example of something you love to do.

We look forward to discussing your portfolio and learning more about you during your visit!
